

PREPARE/ENRICH Training Seminar

If you are planning to perform marriages or provide premarital and marital counseling, then the PREPARE/ENRICH instruments are tools which will help you use your time more efficiently as you gather a lot of information in a short period of time. These inventories are scientifically developed to assess couple relationships. Areas covered include: Personality, Communication, Conflict Resolution, Roles, Religious Orientation, Abuse, and Family of Origin. The new Custom version has been expanded to include:

- 12 Relationship Scales — communication, conflict resolution, roles, sexuality, finances, spiritual beliefs and more
- 5 SCOPE Personality Scales
- 4 Couple and Family Scales — based on the circumplex model
- 4 Relationship Dynamic Scales
- 30 Customized Scales

Clergy and Professional Counselors are invited to attend a one-day certification workshop, where you will learn to identify a couple's specific strength and growth areas, teach them communication and conflict resolution skills, and help them resolve key relationship issues. You will receive a complete resource kit and a complimentary scoring (a \$29 value).

Your trainer will be Charles Slagen, Ph.D. He is the Director of Hope Psychological Services and has served as an adjunct professor at Gordon-Conwell Seminary. The location for these workshops is Gordon-Conwell Seminary, 130 Essex Street, S. Hamilton, MA, from 8:30 a.m. to 4:00 p.m. at a cost of \$175. If you already have a PREPARE/ENRICH ID, cost is only \$80 for update. Graduate student fee is \$155. If you have a spouse who wants to work under your certification, they may attend for an additional \$85. A \$25 late registration fee will be charged if the registration form is received after the deadline date.

Call Dr. Slagen for more information at 781-402-2442, or email cslagen@hopepsych.org.
